Athena Moonlight Pearl Athena Moonlight Pearl is our sweet salt and pepper parti girl, daughter of Leo and Mara. She has the cutest, friendly face and reminds us so much of her dad, Leo, with her look and her sweet, playful personality. She is still a puppy, so she is active, curious, and always exploring. Athena has a happy spirit, a gentle heart, and a fun little spark that makes her special. She enjoys being around people, does well with the other dogs, and brings a sweet, loving energy to our home.
