Embark Test

Meet Leo ? Leo is our handsome Salt & Pepper Parti Miniature Schnauzer and one of the special boys behind Knock & Bark. At around 18 pounds, Leo has a big personality, a playful spirit, and a heart to match. He loves staying active, playing fetch, and being wherever his family is. Behind all that energy is an incredibly sweet and affectionate boy. Leo is gentle with children, devoted to his family, and naturally watchful of the people he loves. He enjoys attention, loves being close, and never misses an opportunity for a little lap time. Playful, loyal, loving, and full of character, Leo brings together so many of the qualities we love about the Miniature Schnauzer.
